Heating Performance You Can Count On!

We build quality into every component of our Amana[®] Distinctions[®] brand gas furnace products. And our **Amana Distinctions brand DGCH9 Two-Stage Gas Valve Gas Furnace** is no exception. The Amana Distinctions brand DGCH9 Furnace can save you money on your heating bills versus lower AFUE units, and will provide you with dependable heating performance for years to come. Plus, at up to 95% AFUE, this Amana Distinctions brand unit meets the higher standard of the Environmental Protection Agency's Energy Star Program.**

** **ENERGY STAR** ratings are dependent upon conditions beyond equipment installation. To make certain your HVAC equipment qualifies for the ENERGY STAR designation, get complete information at www.energystar.gov.

Two Stages of Comfort

This unit features our TwinComfort™ two-stage gas valve technology, which delivers just the right amount of heat to provide steady, even warmth. This technology helps eliminate the temperature swings resulting from abrupt, high-stage stops and starts of the furnace. Plus, it helps ensure quiet operation and increased air filtration for better indoor air quality.

Quality that is Built to Last

The **Amana Distinctions brand DGCH9 Two-Stage Gas Valve Gas Furnace** is built with a long-lasting, heavy-duty aluminized-steel tubular primary heat exchanger and a stainless-steel recuperative coil. The unit features a durable silicon nitride igniter to help lengthen igniter life.

Quality You've Come to Expect

Your **Amana Distinctions brand DGCH9 Gas Furnace** provides you with the following features:

- Quiet, energy-saving PSC multi-speed, direct-drive blower motor
- Quiet, corrosion-resistant, induced-draft blower assembly
- Heavy-gauge, reinforced, fully insulated steel cabinet with durable, baked-enamel, Architectural Gray paint finish

Additionally, this furnace is designed to reduce NOx emissions, contributing to better air quality.

Premium Comfort

The **Amana Distinctions brand DGCH9 Two-Stage Gas Valve Gas Furnace** is protected by what we believe to be one of the best standard warranties* in the industry:

- **A 10-Year Unit Replacement Limited Warranty* on the heat exchanger for the original, registered homeowner**
- **A Lifetime Limited Warranty* on the heat exchanger for the original, registered homeowner for as long as you own your home**
- **A 10-Year Parts Limited Warranty* on all functional parts**

* Complete warranty details available from your local dealer or at www.amana-hac.com. To receive the 10-Year Unit Replacement Limited Warranty, Lifetime Heat Exchanger Limited Warranty (good for as long as you own your own home), and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
