## Heating Performance You Can Count On!

We build quality into every component of our Amana® brand products. And our **Amana® Distinctions™ brand GME8 Two-Stage Gas Valve Gas Furnace** is no exception. The GME8 furnace can save money on your heating bills versus lower AFUE units, and will heat your home to a steady, comfortable temperature for years to come.

### Two Stages of Comfort

This unit features our TwinComfort™ two-stage convertible technology, which delivers just the right amount of heat to provide steady, even warmth. This technology helps eliminate the temperature swings resulting from abrupt, high-stage stops and starts of the furnace. Plus it helps ensure quiet operation and increased air filtration for better indoor air quality.

### Quality that is Built to Last

The **Amana Distinctions brand GME8 Two-Stage Gas Valve Gas Furnace** is built with a long-lasting, heavy-duty aluminized-steel tubular primary heat exchanger and a stainless-steel recuperative coil. The unit features a durable Silicon Nitride Igniter to help lengthen igniter life.

### Quality You've Come to Expect

Your **Amana Distinctions brand GME8 Gas Furnace** provides you with the following features:

- Efficient EEM circulator motor saves energy all year long
- Quiet, corrosion-resistant, induced-draft blower assembly
- Heavy-gauge, reinforced, fully insulated steel cabinet with durable, baked-enamel, Architectural Gray paint finish

Additionally, this furnace is designed to reduce NOx emissions, contributing to better air quality.

### Premium Comfort

Your **Amana Distinctions brand GME8 Two-Stage Gas Valve Gas Furnace** is protected by what we believe to be one of the best standard warranties\* in the industry:

- **A Lifetime Limited Warranty\* on the heat exchanger for the original, registered homeowner for as long as you own your home**
- **A 10-Year Unit Replacement Limited Warranty\* on the heat exchanger for the original, registered homeowner**
- **A 10-Year Parts Limited Warranty\* on all functional parts**

\* To receive the Lifetime Heat Exchanger Limited Warranty, 10-Year Unit Replacement Limited Warranty and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec. Full warranty details available at [www.amana-hac.com](http://www.amana-hac.com).

### Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
